

Product Description:

Camellia Seed Carrier Oil is often used in skincare to promote hydration, smoothness, and elasticity, as well as to address dry or damaged skin. It is valued for its ability to protect the skin from environmental stressors and is commonly included in formulations for anti-aging products.

Product Code: [EZ02-CO]

Grade/Variant: Cosmetic Grade Refined

Country of Origin: China

Extraction Method: Cold Pressed

* **Note:** COA and MSDS available on request.

Guidelines for Use:

1. **Facial Serum:** Apply a few drops of Camellia Carrier Oil to your face as a nourishing facial serum. It's lightweight and absorbs quickly, providing hydration and leaving your skin feeling soft and smooth.
2. **Hair Elixir:** Use Camellia Carrier Oil as a hair elixir by applying it to the ends of your hair. This can help tame frizz, add shine, and provide a protective layer to prevent split ends.
3. **Body Moisturizer:** Apply Camellia Carrier Oil to your body after a shower or bath for a lightweight and moisturizing experience. It can help maintain skin elasticity and leave your skin feeling supple.
4. **Cuticle and Nail Conditioner:** Massage a drop of Camellia Carrier Oil into your cuticles and nails to keep them moisturized and promote healthy nails. This can be especially beneficial for those with brittle nails.
5. **Makeup Remover:** Use Camellia Carrier Oil as a natural makeup remover by applying a small amount to a cotton pad and gently wiping away makeup. It effectively dissolves makeup while providing skin-nourishing benefits.

Caution:

Always perform a patch test before widespread use, and be cautious if you have sensitive skin. Consult with a healthcare professional or dermatologist for personalized advice, especially if you have specific skin concerns or conditions.
