

Product Description:

Castor Carrier Oil is a thick, pale-yellow or colorless vegetable oil known for its unique composition, primarily comprising ricinoleic acid, a fatty acid with notable properties. The oil has a distinct, somewhat mild odor and taste. It has been used traditionally for various purposes, including medicinal, cosmetic, and industrial applications.

Product Code: [EZ00-CT]

Grade/Variant: USP/Unrefined

Country of Origin: India

Extraction Method: Expeller Pressed

* **Note:** COA and MSDS available on request.

Guidelines for Use:

1. **Eyelash and Eyebrow Serum:** Apply a small amount of Castor Carrier Oil to your eyelashes and eyebrows using a clean mascara wand or cotton swab. This can help nourish and condition the hair, promoting healthier-looking lashes and brows.
2. **Lip Balm Base:** Use Castor Carrier Oil as a base for a homemade lip balm. Mix it with beeswax and a few drops of your favorite essential oil for a nourishing and moisturizing lip treatment.
3. **Skin Moisturizer:** Apply a small amount of Castor Carrier Oil to dry or rough patches of skin. It's a thick and emollient oil that can provide intense hydration and promote smoother skin.
4. **Massage Oil for Joints:** Blend Castor Carrier Oil with a carrier oil of your choice and use it as a massage oil for joints and muscles. Its lubricating properties may help soothe the discomfort.
5. **Hair and Scalp Treatment:** Massage Castor Carrier Oil into your scalp and hair, leaving it on for at least 30 minutes before washing. This can help nourish the scalp, improve hair texture, and reduce dryness.

Caution:

Always perform a patch test before widespread use, and be cautious if you have sensitive skin. Consult with a healthcare professional or dermatologist for personalized advice, especially if you have specific skin concerns or conditions.
