

## Product Description:

- Product Name: Cocoa Butter (RBD)
- INCI Name: Theobroma Cacao (Cocoa) Seed Butter
- CAS No.: 8002-31-1

## Key Features:

- Rich, luxurious feel
- Deeply nourishing
- Natural antioxidant & anti-inflammatory
- Chocolatey aroma
- Versatile ingredient

## Applications:

- Body butters and lotions
- Balms and lip products
- Soapmaking
- Massage oils and bath products
- Hair care products
- Scents and aromatherapy

## Guidelines for Use:

- Cocoa butter has a high melting point, requiring careful melting and temperature control during formulation.
- Can solidify at room temperature, affecting product texture. Consider blending with other oils or waxes for stability.
- Patch test before use to ensure individual skin compatibility.
- Store in a cool, dry place away from direct sunlight to maintain quality.

## Compliance:

- Our Cocoa Butter (RBD) is refined to remove impurities and ensures high quality for cosmetic applications.
- It adheres to international safety and quality standards.
- Free of heavy metals, contaminants, and allergens.

\***Certifications:** Non-GMO/Kosher
