

Product Description:

Coconut Oil is a tropical oil, composed primarily of saturated fats, including medium-chain fatty acids such as lauric acid. It undergoes a thorough refining process to create a neutral, light-colored, and stable oil. Impurities are removed, the color is improved through bleaching, and any residual odors or flavors are eliminated through deodorization. This results in a coconut oil with a mild taste, high stability, and a longer shelf life.

Product Code: [EZ03-CO]

Grade/Variant: RBD (Refined, Bleached, Deodorized)/USP/Kosher

Country of Origin: Malaysia

Extraction Method: Cold Pressed

* **Note:** COA and MSDS available on request.

Guidelines for Use:

1. **Multifunctional Makeup Remover:** Gently wipe away makeup using Coconut Oil for effective removal while moisturizing the skin.
2. **Hydrating Body Moisturizer:** Apply Coconut Oil to damp skin after a shower to lock in moisture and leave the skin soft and hydrated.
3. **Versatile Cooking Oil:** Use Coconut Oil for both cooking and baking, adding a hint of coconut flavor to dishes.
4. **Natural Lip Balm:** Keep lips soft and moisturized by using Coconut Oil as a natural and nourishing lip balm.
5. **DIY Beauty Treatments:** From hair masks to massage oils, Coconut Oil serves as a versatile ingredient in various DIY beauty treatments for hair and skin.

Caution:

Always perform a patch test before widespread use, and be cautious if you have sensitive skin. Consult with a healthcare professional or dermatologist for personalized advice, especially if you have specific skin concerns or conditions.
