

Product Description:

Sourced from Pelargonium graveolens, **Geranium (Egyptian) Essential Oil** has a floral, rosy aroma. Recognized for its balancing properties, it is often used for emotional well-being and skin care. Geranium oil may help regulate oil production in the skin and promote a healthy complexion. With a sweet and uplifting scent, it blends well with citrus, floral, and earthy oils.

Product Code: [EZ09-EO]

Botanical Name: Pelargonium Graveolens

Country of Origin: Egypt

Extraction Method: Steam Distilled

* **Note:** COA and MSDS available on request.

Guidelines for Use:

1. **Dilution for Skin:** Mix 2-3 drops of Geranium essential oil with a carrier oil (such as jojoba or sweet almond oil) before applying to the skin. This helps ensure proper dilution and reduces the risk of skin irritation.
2. **Balancing Facial Toner:** Add a few drops of Geranium oil to your favorite alcohol-free toner. Use this toner after cleansing your face to help balance the skin's oil production and promote a healthy complexion.
3. **Aromatherapy Diffusion:** Inhale the floral and uplifting aroma of Geranium by adding a few drops to a diffuser. This can help create a positive atmosphere and enhance emotional well-being.
4. **DIY Hair Treatment:** Mix Geranium essential oil with a carrier oil and apply it to your scalp. This can be beneficial for promoting a healthy scalp and adding a pleasant aroma to your hair.
5. **Relaxing Bath Soak:** Add a few drops of Geranium essential oil to your bathwater for a relaxing and aromatic bath experience. This can contribute to a sense of calm and may benefit your skin.

Caution:

Always perform a patch test before widespread use, and be cautious if you have sensitive skin. Consult with a healthcare professional or dermatologist for personalized advice, especially if you have specific skin concerns or conditions.
