

Product Description:

Jojoba (Golden) Carrier Oil, with its slightly amber hue, is a minimally processed oil known for retaining its natural color and a subtle nutty aroma. Rich in nutrients such as fatty acids and vitamin E, it is valued for its moisturizing properties in skincare and hair care applications.

Product Code: [EZ00-JG]

Grade/Variant: Unrefined

Country of Origin: Israel

Extraction Method: Cold Pressed

* **Note:** COA and MSDS available on request.

Guidelines for Use:

1. **Facial Cleansing Oil:** Use Jojoba Carrier Oil as a facial cleansing oil. Apply a small amount to your face, massage to dissolve makeup and impurities, and then wipe away with a warm, damp cloth. Jojoba oil is well-suited for this purpose as it closely resembles the skin's natural sebum.
2. **Hydrating Facial Moisturizer:** Apply a few drops of Jojoba Carrier Oil to your face as a hydrating facial moisturizer. It's lightweight, absorbs quickly, and provides long-lasting hydration without leaving a greasy residue.
3. **Scalp and Hair Treatment:** Massage Jojoba Carrier Oil into your scalp and hair, leaving it on for at least 30 minutes before washing. This can help nourish the scalp, improve hair texture, and add shine without weighing down the hair.
4. **Cuticle and Nail Oil:** Massage a drop of Jojoba Carrier Oil into your cuticles and nails to keep them soft and moisturized. This can help prevent dry, cracked cuticles and promote healthy nails.
5. **Body Oil:** Apply Jojoba Carrier Oil to your body after a shower or bath for a lightweight and moisturizing experience. It can leave your skin feeling soft and supple.

Caution:

Always perform a patch test before widespread use, and be cautious if you have sensitive skin. Consult with a healthcare professional or dermatologist for personalized advice, especially if you have specific skin concerns or conditions.
