

Product Description:

Meadowfoam Carrier Oil is derived from the small, white flowers of the meadowfoam plant, producing an oil with a clear to pale yellow color. Known for its unique composition, it contains high levels of long-chain fatty acids, particularly eicosenoic acid. This oil is valued for its exceptional stability and resistance to oxidation, making it an excellent choice for extending the shelf life of other less stable oils.

Product Code: [EZ03-CO]

Grade/Variant: RBD (Refined, Bleached, Deodorized)

Country of Origin: Canada

Extraction Method: Cold Pressed

* **Note:** COA and MSDS available on request.

Guidelines for Use:

1. **Facial Moisturizer:** Apply a few drops of Meadowfoam Carrier Oil to your face as a lightweight and non-greasy facial moisturizer. It absorbs quickly, leaving the skin feeling soft and hydrated.
2. **Hair Serum:** Use Meadowfoam Carrier Oil as a hair serum by applying a small amount to the ends of your hair. This can help tame frizz, add shine, and protect against environmental damage.
3. **Cuticle and Nail Oil:** Massage a drop of Meadowfoam Carrier Oil into your cuticles and nails to keep them moisturized. This can help prevent dry, cracked cuticles and promote healthy nails.
4. **Body Oil:** Apply Meadowfoam Carrier Oil to your body after a shower or bath for a lightweight and moisturizing experience. It can help maintain skin elasticity and leave your skin feeling supple.
5. **Makeup Remover:** Use Meadowfoam Carrier Oil as a natural makeup remover. Apply a small amount to a cotton pad and gently wipe away makeup. It effectively dissolves makeup while providing skin-nourishing benefits.

Caution:

Always perform a patch test before widespread use, and be cautious if you have sensitive skin. Consult with a healthcare professional or dermatologist for personalized advice, especially if you have specific skin concerns or conditions.
