

Product Description:

Vitamin E MT-50 Spectrum is a blend of natural tocopherols and tocotrienols, collectively known as vitamin E. Tocopherols are antioxidants that play a crucial role in skincare by helping to protect the skin from oxidative damage caused by free radicals. This particular formulation, MT-50 Spectrum, is often used in cosmetic products for its stability and effectiveness.

Product Code: [EZ00-VT]

Grade/Variant: MT 50 (Spectrum)

Country of Origin: China

* **Note:** COA and MSDS available on request.

Guidelines for Use:

1. **Skin Nourishment:** Apply a small amount of Vitamin E Oil to your face or body as a nourishing treatment. It can help moisturize the skin and provide antioxidant benefits, promoting a healthy complexion.
2. **Scar Reduction:** Use Vitamin E Oil on scars to potentially help reduce their appearance. Apply a small amount to scars regularly, especially on healed wounds, to support skin healing.
3. **Cuticle and Nail Care:** Massage a drop of Vitamin E Oil into your cuticles and nails to keep them moisturized. This can contribute to healthier-looking nails and prevent dry, cracked cuticles.
4. **Hair Treatment:** Mix a few drops of Vitamin E Oil with your favorite carrier oil and apply it to the ends of your hair. This can help nourish and add shine to your hair, especially if you have dry or damaged ends.
5. **DIY Skincare:** Incorporate Vitamin E Oil into your DIY skincare routine. Mix it with your favorite moisturizer, serum, or mask for an extra boost of antioxidant protection.

Caution:

Always perform a patch test before widespread use, and be cautious if you have sensitive skin. Consult with a healthcare professional or dermatologist for personalized advice, especially if you have specific skin concerns or conditions.
